

Princeton Regional Chamber of Commerce
Spotlight On Your Business

An educational development and support program of the Princeton Regional Chamber of Commerce, *Spotlight on Your Business* is designed to help business owners address and overcome the strategic challenges they face throughout the lifecycle of their business. Through a series of panel discussions, educational seminars and peer group reviews, *Spotlight on Your Business* will look at ways successful businesses have designed strategies to overcome the day-to-day business challenges that every business owner faces. Whether you are starting a business, growing and expanding your company, or looking to transition your business, the 2010 *Spotlight on Your Business* program will walk you through solutions that work. The program offers a three-part series of events in 2010. Join us for our third in the series, which will take place immediately after our 29th Annual Trade Fair & Culinary Showcase on September 27th.

**Exiting and Transitioning —
